

As stated previously, I am involved primarily in itinerant ministry and therefore not available to be corresponding and counselling with people. However, I continue to be inundated with requests. By not answering your letters does not mean I do not care. Please understand this. I simply cannot meet all the requests. My books were written to give people understanding on how to work with Jesus in coming into freedom and walking in freedom. Read the books and apply the teachings!

The Spanish edition of Christian Set Yourself Free (Cristiano Liberate A Ti Mismo), will be available in an e-book format in January 2015. Two Kingdoms - the battle for man's soul (English edition) will be available as an e-book shortly. When these e-books are available, the news will be posted on this blog. See below.

'Called to Conquer' is now available for purchase. The theme of this book is 'Overcoming'. Overcoming the world - the flesh - and the devil. It goes to the heart of the struggles we all face as human beings, describing the nature of these areas of conflict and God's solutions for them. It is very practical and has been written for both those who love and follow Jesus Christ and those who as yet do not. I feel it is the most important book I have written.

GRAHAM & SHIRLEY ARE UNAVAILABLE FOR PERSONAL COUNSELLING APPOINTMENTS AND WILL NOT REPLY TO SUCH REQUESTS.
