□□□ Since starting this web page, the number of requests I have received for personal appointments and counselling, from not only Canadians but from people in other countries, has increased substantially. The only reason for opening the web page was to make known the books we have written and to give opportunity for the obtaining of copies. For many years now I have been involved in itinerant ministry and because of the busyness and demands while travelling, I have made it a policy not to be available for personal counselling when I am home. Should you seek to contact me for counselling and do not receive a response you will now know why. Thank you for your understanding. Blessings, Graham. June 2014 Our latest book *Called to Conquer* is now available. It is a practical teaching book on overcoming the world, the flesh, and the devil.
